

HAMILTON STRATEGIES

Dr. Karl Benzio

Dr. Karl Benzio, M.D. is the founder and executive director of **Lighthouse Network**. With a bachelor's degree in biomedical engineering, Benzio went on to medical school and then specialized in psychiatry.

His experiences include teaching pastors, ministry leaders and students counseling and conflict resolution skills in Uganda and Kenya; leading a behavioral health team into post-Hussein Iraq to equip health care specialists with treatment and assessment skills; and successfully testifying for Pennsylvania House of Representatives opposing legislation for Plan B contraception

administration and for President George Bush's Council on Bioethics regarding Right of Conscience.

His specialties include Adolescents, Addictions, Decision-Making, Infusing Spirituality into Practical Treatment Modalities, and the Ramifications of Decision-Making on Social Policy.

Lighthouse Network is a Christian-based, non-profit organization that offers a mental health and addiction referral program and helpline that strives to equip people and organizations with the skills necessary to shine God's glory to the world, stand strong on a solid foundation in the storms of their own lives, and provide guidance and safety to others experiencing stormy times, thus impacting their lives, their families and the world.
