**Title:** Decision-Making: Jesus' Sermon on the Mount

**INTRODUCTION:**

Welcome to Life Change! I'm Christian Psychiatrist Dr. Karl Benzio.

**BODY:**

In Jesus' Sermon on the Mount, he communicates two powerful concepts. First, how to make Godly decisions, and second, that good decisions are the fundamental key to a powerful spiritual life of peace and fulfillment. Jesus knows it all comes down to decision-making and that Satan is our adversary, tempting Jesus in Scripture and us today to make wrong decisions. Jesus calls us to pay more attention to our decision-making strategy. In His sermon, He discusses attitude, perspective, emotions, focus and goals necessary for successful decision-making. Knowing Jesus and applying His teachings on decision-making renews our mind and transforms our life.
