Title: Decision-Making: Bible is the Best Instruction Manual

INTRODUCTION:

Welcome to Life Change! I'm Christian Psychiatrist Dr. Karl Benzio.

BODY:

In school, did you take English, math, or science classes? Hopefully everybody did. What about music, art, or even drama. Some of these subjects I've never used since taking the class. Now, a more important question: growing up, did you ever take a decision-making class? Rarely does anyone answer yes. Since my specialty is decision-making sciences, as well as being a husband and a father, I am amazed we don't have classes to teach kids the most important skill of all: decision-making. It's the only thing Solomon wished for from God, and God was so pleased, He gave Solomon everything else. Decision-making is what this Life Change show is all about!
