**INTRODUCTION:**

**Welcome to Life Change! I'm Christian Psychiatrist Dr. Karl Benzio.**

**BODY:**

Transformation is something we desire and strive for. But how transformation happens seems mysterious, as many believe the Holy Spirit transforms us. But if it were up to the Holy Spirit only, we would be perfect because the Holy Spirit is perfect and never goes on vacation. So why do Christians still sin? We play a major part in our transformation. Our responsibility is making godly decisions. The Holy Spirit helps us understand and use the Bible to guide our decisions, but the bottom line is we have free will to decide whether or not we listen to Him and are transformed.
